

COVID-19 MARSHALS AVAILABLE

WE CAN SUPPORT & MANAGE

SOCIAL DISTANCING

Your workplace will be supervised ensuring the 2-metre social distancing guidelines are adhered to at all times

CORRECT PPE

Where the 2-metre distance can not be maintained, we will ensure all staff wear the correct PPE for work to be carried out safely

WELFARE FACILITIES

Welfare facilities will be fully supervised and work surfaces will be regularly disinfected including contact points such as door handles

TRANSPORT CHECKS

Vehicle occupancy will be regularly checked and marshalled in line with Government guidance

GANYMEDE SUPPORT INDUSTRY WITH COVID-19 MARSHALS

As a primary labour supplier to Network Rail, we continue to support the maintenance and delivery of rail infrastructure projects to help keep Britain moving. COVID-19 marshals have been deployed across rail sites to ensure works are carried out safely in line with Government guidance

SAFETY FIRST, SAFETY ALWAYS

As a national workforce provider of skilled personnel in safety-critical environments, we have COVID-19 marshals available to help your business operate safely in line with Government guidance

We are taking best practice from the rail industry and sharing it across other sectors. Our skilled COVID-19 marshals can be deployed to all types of work environments to help protect your staff and the public during the coronavirus pandemic
