AND PROJECT DELIVERY ACROSS THE UK**

 **ganymede**

# OUR EXPERTISE

**Ganymede recruit across all stages of rail projects including, design, development, build, installation, testing and commissioning.**

Our highly experienced P-Way team pride itself on supporting not only some of the largest 1st tier contracting organisations to the rail industry today but also a variety of sub-contractors; delivering the same level of service and knowledge every time.

With a network of Industry specialists holding decades of experience, you can feel confident in the quality of labour supplied, specialising in but not limited to:

- Handback Engineers
- Stressing Engineers
- Senior Technical Officers
- Principal Technical Officers
- Track Monitoring Engineers
- Setting Out Engineers
- P-Way Engineers
- Supervisors

# MEET THE TEAM

**Gareth Jackson**  
**Recruitment Specialist**  
**P-Way Technical**

Gareth was a Team Leader/Supervisor and joined the Ganymede P-Way team in 2021. Since joining he has gained both his Stressing and Handback tickets and frequently does site visits, helping to support our clients and be a point of contact for our Engineers.

## OUR VALUES

### SAFETY FIRST SAFETY ALWAYS

Safety is at the forefront of our business operations. Awareness and continuous improvement eliminates complacency and ensures we keep our workforce, industry colleagues and communities safe.

### DELIVERING EXCELLENCE

By continually building upon our vast industry knowledge and working collaboratively with our clients, we always deliver first-class, innovative and tailored solutions with our client goals in mind.

### TAKING PRIDE

Every action taken by the organisation is done with skill, care and pride in mind. This ensures that every level of the organisation is accountable and provides the best possible service.

### PEOPLE ARE OUR PASSION

People are at the heart of everything we do. Through our in-depth recruitment processes, we attract, develop and retain the best people, supporting our clients to deliver projects safely and efficiently.

### SOCIALLY RESPONSIBLE

We care about local communities and are committed to attracting and retaining diverse talent. We strive to support charities and good causes and take care of the environment by operating ethically and sustainably.
